

TP TUBE MONSTERS

GRADES K-2

This is a super fun activity to work with shapes, forms, colors and textures.

Enjoy this read-aloud of the book [Monster Trouble by Lane Fredrickson](#) and get ideas about what your monsters might look like.

Now you can create different monsters, using toilet paper roll tubes and other materials you have around the house for decorating them.

You will need TP rolls and paint or markers. You can also use scissors, glue, any paper you can find around the house (newspaper, magazine, paper bags, old books, letters, etc.) and whatever else you have available to embellish it.

Tips:

* Cut pieces off of your TP roll and add other features, such as arms, legs, eyes, teeth, hair, hat, antennas, etc.

* Tape or glue a piece of string to your monsters so you can hang them. 😬

* Try your best and have fun!
